www.rackmax.de

RW-491G

- Valuable rack case with aluminium front
- Very rugged, therefore ideal for industrial applications (control computers on production lines, for instance)
- Dustproof due to big washable air filter right behind the front panel
- 2× 92 mm fans (additionally 1× 60 mm rear fan available as an option) for ideal system cooling
- Lockable front door provides additional security
- Supports all PS/2 and mini-redundant power supplies
- On/Off and reset switch
- PCI card retainer in two different lengths for improved safety
